„23“ 07 2026

To the Vice Rector of University of Foggia,

Professor Mariantonietta Fiore

Dear Professor Fiore,

Georgian Technical University annually organizes the Open International Student Scientific Conference, which serves as an important platform for promoting scientific research, academic excellence, and international cooperation among students.

The 90th Open International Student Scientific Conference was held from June 5 to June 20, 2026, comprising 52 scientific sections and bringing together 568 students from higher education institutions in Georgia and abroad.

It is our pleasure to inform you that Mr. Emilio Casiello, a third-year undergraduate student of the Department of Economics at the University of Foggia (Foggia, Italy), participated in the above-mentioned conference and was awarded First Place in the Business Technologies section.

We extend our sincere congratulations to Mr. Casiello on this remarkable achievement and express our appreciation to the University of Foggia for collaboration with GTU and supporting students' engagement in international scientific activities.

Sincerely,

Tamar Lominadze

Vice Rector
